

Fair Share Fund

As an educational charity, we aim to be accessible to all and spread the message of sustainability far and wide. We have created the 'Fair Share Fund' to provide a bursary, which we hope will overcome barriers that some schools face in coming here for a day visit. This will reduce our current cost of £11 per pupil by 80%, meaning a day visit will only cost £2.20 per pupil! Minimum charge of £44 applies, with a maximum capacity of 35 pupils per visit.

Eligibility

- All state-funded schools who have a percentage of children eligible for Free School Meals of **30% or more**, we use the **"Get information about schools service"** as our data source to confirm percentage of Free School Meals.
- It is available on a first-come, first-served basis.
- If interested, please email education@sustainability-centre.org to request an enquiry form.

Day Visit Topics

RECEPTION

Where Is Kelly the Caterpillar? - Habitats and Life Cycles

KEY STAGE 1

Exploring Materials - Changes of Natural and Man-Made

Mini Beasts - Habitats and Life Cycles
