Venue – Sustainability Centre

We are pleased to have the support of the Sustainability Centre, who are hosting this training course. The Centre has 55 acres of woodland and chalk downland and is located in the heart of the South Downs National Park. The centre host a huge variety of events, courses and activities all centred on promoting sustainability. We will be using one of their training rooms as well as an area of woodland throughout the training. You can find out more about the venue on their website here: www.sustainability-centre.org

Facilities

The Sustainability Centre can provide on site accommodation in their eco lodge or camping facilities. There also is a café on site providing delicious vegetarian food.

Prices

FSTC prices are fully inclusive of all course costs, including; qualification registration & certification, assessment marking & moderation, administration, course support resources & access to equipment, student website access, and tutorial support. There are no 'hidden extras' and we do not charge our students for late submission of work (unless the submission date has gone beyond what is required by the moderators).

Value Added Features of our training course

We care about the quality of our training and the Forest School practice which ultimately results from it. There is a wide range of Forest School training available in the UK and we want to ensure that our course is right for the students that choose to undertake their training with us. Some of the additional benefits that our training offers are:

- **Modular Format** – making learning more manageable, and giving you the option to 'top up' your training to level 3 in the future should you wish to.
- **Nationally Recognised Qualification** – we use the most up to date Forest School qualification units. These are the national standard and on the RQF.
- **Outdoor Living Experiences** – through the initial immersion day
- **Online Services** – Student password protected web pages & resources,
- **Ongoing Support** – 'Tutor on call' days for tutorial support
- **Free 1 year student membership** to the Forest School Association

Supporting a Forest School Programme

To complete the level 2 qualification students are required to support a minimum of 3 consecutive sessions within a Forest School programme being run by a level 3 Leader. It is usual that students will arrange this themselves, however if participants do not yet have contact with a Forest School, our tutors may be able to signpost students to existing Forest Schools if needed.
