

## Stay With Us

To explore the beautiful South Downs National Park, why not come and stay for a few days? Set within the 55 acres at the Sustainability Centre, we have plenty of woodlands and nature to explore on site, and many walks and cycle paths right on our doorstep.

## About Us

We are an independent learning centre and charity, providing practical and creative solutions to inspire people to live more sustainably.

The Sustainability Centre offers an idyllic location for learning in the heart of the South Downs National Park.

We offer a wide variety of one day and residential courses with discounted accommodation available. Further details are on the courses page of our website.
